Summary

This is Yash Makhariya, hailing from one of the ancient and historical cities in the world, Patna (Bihar). An 21 years old, attending High school in Commerce. He is a solopreneur, skilled in web & android development and a true digital marketer by profession. Extremely talented and a pure soul goal digger. He derives extreme inspiration and he is very passionate in what he does.

True believer of "An idea is always an idea, unless its worked upon."
